

CAROL BROWN

By Flight of the Conchords

[D] Loretta broke my heart in a letter.

[A] She told me she was leaving and her life would be better.

Joan broke it off over the phone.

[D] After the tone, she left me alone.

Jen said she'd never ever see me again.

[A] When I saw her again she said it again.

Jan met another man.

[D] Liza got amnesia just forgot who I am.

Felicity said there was no electricity

[A] Emily, no chemistry.

Fran ran, Bruce turned out to be a man.

[D] Flo had to go I couldn't go with the flow.

[F#m] Carol Brown just took a [Bm] bus out of town,
but I'm hoping that you'll stick [D] around.

BRIDGE:

[Em] He doesn't cook or clean, he's not [D] good boyfriend [A] material
(Ooh, we can eat cereal)

[Em] You'll lose interest fast, his [D] relationships [A] never last
(Shut up girlfriends from the past)

[Em] He says he'll do one thing and then he [D] goes and does [A] another
thing (Oh, who organized all of my ex-girlfriends into a choir, and got them to
sing?)

[Em] Ah ah ah [D] ah, ah ah ah [A] (Who, who... Mm, shut up)

BRIDGE:

[Em] Love is a delicate thing, it could [D] just float away [A] on the breeze
(He said the same thing to me)

[Em] How can we ever know [D] we've found the right person [A] in this
world? (He means he looks at other girls)

[Em] Love is a mystery that [D] does not follow a [A] rule
(This guy is a fool)

[Em] He'll always be a boy, he's a [D] man who never [A] grew up
(I thought I told you to shut up)

[Em] Ah ah ah [D] ah, ah ah ah [A] (Mona, you told me you were in a coma)

[Em] Ah ah ah [D] ah, ah ah ah, [A] ah ah ah. (Tiffany you said that you had
