

# CLOSE TO YOU

Music and lyrics by Burt Bacharach

Why do birds suddenly appear, every time you are near?

Just like me, they long to be, close to you

Why do stars fall down from the sky, every time you walk by?

Just like me, they long to be, close to you

On the day that you were born the angels got together

And decided to create a dream come true

So they sprinkled moondust in your hair of gold

and starlight in your eyes of blue.

That is why all the girls in town follow you all around

Just like me, they long to be, close to you

On the day that you were born the angels got together

And decided to create a dream come true

So they sprinkled moondust in your hair of gold

and starlight in your eyes of blue.

That is why all the girls in town follow you all around

Just like me, they long to be, close to you (x2)

Ahhhhhhh... close to you (x4)
