

# DON'T WORRY BABY

Music and lyrics by the Beach Boys

(intro)

Well, it's been building up inside of me for oh, I don't know how long.

I don't know why, but I keep thinkin' somethin's bound to go wrong.

But she looks in my eyes. And makes me realize... when she says...

Chorus:

(Don't worry, baby) Don't worry, baby. (Don't worry, baby)

Everything will turn out all right. (Don't worry, baby)

Don't worry, baby. (Don't worry, baby...Ooh...ooh)

I know I should've kept my mouth shut when I started to brag about my car.

But I can't back down now 'cause I've pushed the other guys to far.

She makes me come alive. And makes me wanna drive... when she says...

### CHORUS (then INTRO)

She told me, "Baby when you race today just take along my love with you".

And if you knew how much I love you baby, nothing could go wrong with you.

Oh, what she does to me. When she makes love to me... when she says...

### CHORUS (first four lines repeat to fade)
